

HOW TO FIND US

Music is an important key to memory and a familiar constant in Memory Worship.

Tell me the old, old story - a short Bible reading, using a well-known, well loved passage.

Affirmation - that we are all held by God and that we can trust in His abiding presence.

Craft Activity - creative skills can be retained and even new ones learned by people living with dementia.

Refreshments and fellowship - free and safe opportunity for carers to share experiences.

NEW 2019 PROGRAMME

What is Memory Worship and who is it for?

In creating this new ministry it has been our vision to find a space where people with or without dementia, can approach God, worship and praise God and feel God's caring presence together.

Worship can be a channel for recalling the past, creating feelings of comfort, familiarity and spiritual fulfillment. We all have a continuing need to worship and experience a loving encounter with God and the afternoon takes a regular pattern of welcome; singing well-known hymns, reading familiar passages of scripture and saying the Lord's Prayer together.

The formal part of the service lasts 30 minutes, before leading into a craft activity and hospitality, which provide an opportunity for conversation to reinforce the theme of the service.

Memory Worship is held monthly supported by a consistent and informed group of community volunteers.

This year's programme has been designed around familiar hymns.
